

From Clinton's Mom

Any age citizen of this planet can become a member of Kids for Saving Earth! There are no dues or special requirements. All you have to do is make the Kids for Saving Earth Promise.

When Clinton's father and I wrote the promise we included some of Clinton's own words. He was full of love and used the word "love" a lot. He called himself a "Nature Lover and Defender of the Planet". Clinton was worried about all the living creatures who make Earth their home, but he believed that by uniting together with friends, we could find solutions to pollution.
