

Teacher's Directions :

SiGn the Kids for Saving Earth Promise!

1. Print out one 8.5" x 11" "[Sign the Promise](#)" page per student.
2. Ask them to take it home and obtain as many signatures as possible from friends and family.
3. Once signed, ask your students to return it to school.
4. Place all the signed sheets on a wall in your hallway and determine how many signatures you have collected by Earth Day. (or any other day of your choice)
5. Print out a [Defender of the Planet Award](#) to place on your bulletin board to honor your students. (you can print one for each if you wish) Also ask one of your students to make a poster saying how many people will help save the Earth
