

## Here's how to make a Kids for Saving Earth Promise Tree

You can make a  
Kids for  
Saving Earth  
Promise Tree!

1. Find a branch from a tree that needs to be pruned.
2. Borrow a big pot, fill it with soil and place the branch in it so it looks like a tree.
3. Click here to get the [Promise Tree leaf form](#) and have the kids cut out their leaf.
4. Have your students write a promise to the Earth on the leaf,
5. Ask them to hang it on the tree using paper clips or ornament hangers.
6. After using them on your tree collect them all to send to one of your governmental leaders.
