

# The Kids for Saving Earth "Tune Up The Earth" Challenge

Color the center line yellow as you complete the Activities:

Yuck!

**Stop  
Global  
Warming**

## THE CHALLENGE!!

There's a lot you can do to help protect the Earth's environment. Fill in the road to a Tuned Up Earth and your efforts will put the planet's health miles ahead.

Taking the "Tune Up The Earth" Challenge can save you money, decrease air and land pollution and may decrease global warming.
