Kids! KSE challenges you to find adults wherever you can and test how much they really know about one of the most important things in life: water. This is a test you're sure to like. It's for adults only and it's given by kids. We'll add up the scores and give adults a report card for all of the world to see.

The

For Adults

Only!

## Take The Challenge

Make copies of this quiz and test as many adults as you can!

Correct each adult's quiz using the answer key hidden in the swamp below, and email the your results to KSE.
