Make a Bird Feeder

Birds Need a Bird Feeder Holiday Treat!

You will need a styrofoam egg carton (put trash to use), a paper punch and twine, string or heavy yarn.

Watch this video to view instructions for an Egg Carton Bird Feeder.
https://www.youtube.com/watch?v=_X-XDDPexks

1. Cut off flat top of egg carton.
2. Punch holes in each corner.
3. Tie string on each corner and then gather all strings in center.
4. Fill with bird seed and hang in tree.
