(or month)

# Earth Day Selfie (or month)

Here is Your Earth Day Selfie Challenge!

Here is a cool plan for what you can do during Earth Month. Take a photo of yourself helping to protect Earth and [email it to KSE](#). Please include your first name, your school and city.

**Projects you might want to do:**

1. Do some planting, like planting a [Monarch friendly plot](#) or even just in a pot.
2. Plan a march with signs about saving Earth, using sun power, keep-ing water clean and more.
3. Visit an environmental learning center.
4. [Chalk your walk](#) with Earth drawings.
5. Plant native tree and plants
6. Go to [Kidsforsavingearth.org](#) for many more ideas!
