

A Kids for Saving Earth Action Program

For the Beauty of our Earth

Kids in Action

Mountains are beautiful!

What a beautiful bluebird!

I love Monarchs

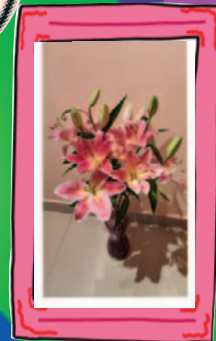

Savor the Beauty

This is very easy! Take time to enjoy the Beauty of our Earth. Take photos of what you think is beautiful and email them to KSE. We will put them on our website. Please include your first name, your school and city. If you can include a story about your beautiful experience, please do. When we receive your photo, we'll place it on our web site and send you a link.

After-school Literacy Program, Chennai, India and kids from Woodland Texas

Meet our
Defenders of
the Planet!

Photos from Arliena, Brensens, Adysen from Beaverton, MI
