

Cut along dotted line and give one to each student.
Ask them to report their answers to the class.

Eco Activity

Learn from a Senior Citizen

Talk with a senior citizen and ask questions about Earth-saving.

1. How did you get along without paper towels?
2. How did you pack lunches without plastic bags?
3. What did you use instead of paper napkins?
4. Can you teach me how to make less trash?
5. What did you do without water bottles?
